

Activity Update – Worksheet

Workgroup: Town Hall Date: _____

Leader: Kathlynn Northrup-Snyder Recommendation # _____

1. Get message out about the Oregon Action Coalition.
2. Hear from communities about how they would like to be involved and how we can engage their communities.

Purpose: Operationalize our mission to be inclusive through the use of technology.

Planned Activity/ies [current]

- Currently: Explore options similar to the VA outreach vs a full town hall- which is the best fit for right now and workgroup energy level?

Timeline

- Next OAC meeting

Very next step(s)

- Based upon OAC and town hall work group decisions.

Resources/Source:

Should town hall move forward:

- Chemeketa Community College. 9-112 or 9-162 TV Studio: \$40 per hour, 2 hour minimum is my normal rate for use of room without Television support. I could also give you our OHSU price of \$125 per day per room. Building 6 Auditorium: \$75 per hour, 2 hour minimum.
- determine the commitment of the GoToWebinar/microphone Kelley originally mentioned for recording and using a web based outreach or using what Chemeketa has to offer
- The other commitment will be a website to store the recorded audio of this town hall to allow those who can't attend a place to download.
- Marketing the event to a broad enough audience.
- This would be the second marketing effort- send out the link with info on listening to where we are.

Oregon
Action
Coalition

What is needed from the steering committee: (Decisions, Support, Resources, etc)

- Decision on the Appropriateness of Town Hall vs other types of outreach
- Basic support for doodle and other elements to support the group movement.
