

Oregon Action Coalition
ADVANCING HEALTH IN OREGON

Oregon Action Coalition Steering Committee

Leadership Workgroup

Focus on advocacy for advanced practice nurses, and advancing the position of nurses in policy roles and on boards

Education Workgroup

Identify ways to encourage nurses to pursue higher education, including BSN and PhD/DNP programs

Communications Workgroup

Raise awareness of the IOM recommendations, promote work done by OAC, and encourage partnerships

Membership Workgroup

Ensure the Steering Committee has the right representation of nursing leaders and interprofessional allies in moving forward the work of the Campaign for Action

Steering Committee Partner Organizations

Oregon Council of Associate Degree and Practical Nursing Programs
